

TIC SUMMER CAMP AND LIVE LOVE EQUITY PRESENTS

G R O W

**THE PROGRAM FOCUSED ON CHANGING SYSTEMS,
NOT CHANGING GIRLS.**

Grow is not a “girl power” club. Girls already have the power! Grow is about solidarity, visibility, and validation. It's about changing perspectives, finding role models, and sharing experiences and opinions through hands-on workshops designed specifically for the inequities girls face today. In Grow, participants will debunk harmful gender-based stereotypes with facts, unlearn limiting ideas about themselves, and develop essential leadership skills to help them lead in a way that is both effective and authentic.

What you'll get:

- Interactive activities and discussions catered for the age-group
- A journaling kit and time for self-reflection
- Proactive habits for self-care
- A supportive, sharing-based environment

Workshop Topics Include:

- Defining "gender" and understanding gender identities
- Debunking stereotypes
- Understanding intersections of identity and their impact
- Finding role models
- Being a role model
- Goal setting & developing a growth mindset
- Creating an authentic leadership style
- Fostering confidence and self-care
